

INTL FCStone Ltd Joins Bloomberg's FXGO Trading Platform as Active Liquidity Provider

LONDON – March 17, 2020 – [INTL FCStone Inc.](#) (NASDAQ: INTL) today announced that its London-based subsidiary, INTL FCStone Ltd's Foreign Exchange desk, is now an active liquidity provider on Bloomberg's FX electronic trading platform, FXGO. Joining the FXGO platform enables INTL FCStone Ltd to offer added efficiencies for market participants conducting FX trading.

Bloomberg's FXGO allows service providers to contribute executable pricing across a wide range of currencies to meet the needs of corporate and institutional clients, enabling market participants to trade from a rich pool of liquidity available via their Bloomberg Terminal. FXGO users will now be able to request access to INTL FCStone Ltd's pricing via the {FXRE<GO>} directory on their Bloomberg Terminal.

Mike Wilkins, Head of FX Sales and Trading at INTL FCStone Ltd, commented on the news, "We are pleased to offer our services as a liquidity provider on FXGO and see market opportunity due to the global scope of Bloomberg and their multi-asset class of users connected to the platform. These users will now be able to leverage INTL FCStone Ltd's expertise in efficiently pricing and executing FX transactions."

Bloomberg's FXGO is an industry-leading multi-bank FX trading platform that allows price takers to execute foreign exchange transactions with their bank relationships. FXGO facilitates execution of spot pricing and is included with a Bloomberg Terminal subscription.
